

koori men's elders group

Our Shoalhaven Elders Group offers a space for our local Aboriginal Elders to connect in a culturally supportive environment. The group enjoys time out on Country, walking, yarning, sharing lunch, and talking about what matters most to the group. There will be an opportunity to connect with our Aboriginal Health Practitioner, have a health check, and yarn about your health and wellbeing. Transport and lunch is provided.

- ☉ **Yarn about your health and wellbeing**
- ☉ **Connect in a culturally supportive environment**
- ☉ **Transport & BBQ lunch provided**
