What is the Aboriginal Reintegration Program?

The Aboriginal Reintegration Program is our Justice Support Program that we run with Youth Justice (YJ). We also accept community referrals which means you may not be being supported by YJ. Our caseworkers will work closely with you and your family to help you achieve goals to make your life the best it can be!

We truly care about your wellbeing and will support you get the main things you want and need out of life, while supporting your YJ Case Plan or YJC Outcome Plan if you have one. We can help you by:

- ⊙ Helping you get connected to your culture if that is what you want.
- ⊙ Providing mentoring and support.
- ⊙ Getting job ready and support you to get that job if you are ready and keen.
- ⊙ Getting your ID or drivers licence for some independence.
- ⊙ Assisting you with your Centrelink Application process so you can get those payments you are entitled to as a youth.

- ⊙ Supporting you to enrol in school, alternative education, or TAFE.
- ⊙ Have you always wanted to join a sports team or the gym and not sure how to sign up - we are there!
- ⊙ Need help with housing? We will support you with that process too.
- ⊙ Feel like counselling could help and not sure where to go? We are there to connect you with the right supports.
- ⊙ Exiting custody? We are here to help.

How long is the Program for?

The program provides support for up to 20 weeks. If you finish your goals before the 20 weeks is up, that is fine too. As long as you are getting the most out of the program and completing your goals, we see that as a success and hope you do too. If you need longer we can do a re-referral for you also so that is not an issue. We are there to help you get your ultimate goals achieved. longer we can do a re-referral for you also so that is not an issue. We are there to help you get your ultimate goals achieved.
